Karla grew up in a small farming community in Gervais with her parents and 3 siblings. Currently, she and her husband Steve, live in Mulino. She is the Mother of 5 great kids and their spouses and Nana to her Grandchildren. Karla and Steve are the owners of River City Glass, a Commercial Glazing and Storefront business they started in 2004. Karla joined the board of Angels in the Outfield for very personal reasons. In 2003 her family suffered a tragedy. Her brother was shot and killed, her nephew was severely wounded and her niece was traumatized. After her nephew later suffered an additional trauma, Karla began working with DHS, CASAs, law enforcement and attorneys to find Chris the care he needed.

At the age of 17, her nephew gave up his battle and is now at peace. Karla works with Angels and the wonderful people that bring these children's needs to our attention. She does this in her brother and nephew's memory.

Karla is co-owner/CFO of River City Glass in Clackamas, OR.
