

Angels in the Outfield

One child at a time...

Candice Killinger, Member at Large

candice@theangelsintheoutfield.org

Candice is an Oregon native now living in Canby with her husband, two daughters, and dogs Shiloh and Maverick.

After working in finance for 27 years, Candice took an “early retirement” and now enjoys running an activewear boutique and working as a freelance organizer. During the week you can find her outside! She loves running, hiking, walking and even learned how to golf last year.

Having a husband in law enforcement gave her a front row seat to hear awful and traumatic events involving children. After volunteering with Angels and attending the fundraising auction, she knew she wanted to become more involved and help make a difference in these children’s lives!

Candice joined the Angels board in 2024.
