

Angels in the Outfield

One child at a time...

Kendyl Kmetic, Member at Large

kendyl@theangelsintheoutfield.org

Kendyl Kmetic was born and raised in Oregon and has lived there for the majority of her life. Currently, she and her dog, Scout, are residing in Spokane, Washington where she works as an Academic Advisor for Gonzaga University.

In 2020, she began a Master's degree in School Counseling. In 2021, she began interning in an elementary school as students were coming back to the classroom after being virtual over a year because of the pandemic. She got to witness first hand the effects of crime and abuse on students from Kindergarten to 4th grade and worked with students dealing with grief, feelings surrounding their incarcerated parents, student's who's family members struggled with addiction, and students who were abused and suicidal.

Kendyl's favorite aspect of volunteering with Angel's has been at the Holiday Store. Shopping for items, bagging them up, and distributing them to families has been a great way to see the impact first hand that Angels can make.

Kendyl joined the Angels board in 2024.
